BRUCE JENNER

I firmly believe that deep in their soul everyone has a champion that can overcome obstacles and do great things, says Bruce Jenner, superstar athlete and father of 10 kids. Jenner grew up terrified of reading due to dyslexia, but he says his struggles with the reading disorder helped him learn to overcome adversity. He transformed his love of sports into a gold decathlon medal at the 1976 Olympic games and earned the title "World's Greatest Athlete."

From the lofty Olympic podium, Jenner vaulted into entrepreneurial fame in aviation, telecommunications, motivational speaking and more. He's also an acclaimed sports commentator, author, and has appeared on Oprah and The Tonight Show, but some of his proudest achievements include Father of the Year awards from the U.S. Jaycee's and Southern California Father's Day Committee.
